

Haibike HARDNINE 6

Asphalt or off-road? With Haibike ALLTRACK 5 you won't have to choose! This hardtail eMTB is the ideal companion for on- and off-road adventures. The new Yamaha PW-S2 motor with 75 Nm of torque and 720 Wh battery supports you on the steepest climbs, while the reliable 10-speed Shimano Deore rear dropout ensures smooth riding fun. The ALLTRACK 5 is available on frame size S with 27.5" wheels and sizes M to XL with 29" wheels.
